

REMARKS

In the Office Action the Examiner rejected claims 1-2, 4, 13-15, 20-24, and 26 under 35 U.S.C. 103 for being obvious and indicated claims 3, 5-12, 16-19, and 25 were allowable if rewritten. Claims 1-2, 4, 7-9, 11-15, 17-23, and 26-29 remain in the application.

All of the claims remaining in the application have either been amended in the manner indicated by the Examiner as being allowable or are dependent, directly or indirectly, on such an amended claim.

No amendment made was related to the statutory requirements of patentability unless expressly stated herein. No amendment made was for the purpose of narrowing the scope of any claim, unless Applicant has argued herein that such amendment was made to distinguish over a particular reference or combination of references.

Applicants believe the application is in condition for allowance which action is respectfully solicited. Please contact the below-signed if there are any issues regarding this communication or otherwise concerning the current application.
